## **Certification Candidate Handbook**

The Certification Candidate Handbook is the cornerstone of the Certification program. It details the process from beginning to end, program requirements, what to expect at the testing center, how scores are calculated, and everything in between. It is strongly recommended that all candidates download the latest version of the handbook.

## **Certification Website**

The IIA's certification programs are clearly and completely detailed on the website under the Certification tab.

The website features links to required forms, policies, and administrative directives governing certification programs; quick access to the Certification Candidate Management System and everything there is to know about IIA certifications.

## Certification Candidate Management System (CCMS)

CCMS is the system of record for The IIA's global certification programs.

Candidates and certified individuals administer their own certification requirements for computer-based examinations through this system, which also allows candidates to:

- Apply to individual global certification programs.
- Register for exams.
- Review certification status.
- View official exam results.
- Monitor progress in your chosen certification program.
- Report Continued Professional Education (CPE) credit.

CCMS works to a limited degree with The IIA's association management system, meaning both systems hold demographic and contact information on IIA members and certification candidates. The key difference is that if you update your information in one system, it will not automatically update your information in the other system.

- For example, if you update your email address in CCMS, you must also log into your membership profile within The IIA's main website to update your information in that system.
- A project is underway to streamline this process, but until it is tested and launched, you must make updates to both systems individually.

## Logging In to CCMS

CCMS is a web-based application. To access the system, open your web browser and navigate to the following page:

<https://i7lp.integral7.com/durango/do/login?ownername=iia&channel=iia&basechannel=integral7>

This is the login screen you will see when you access CCMS. Enter your username and password and click on the “LOGIN” button.

## Forgotten Credentials

There is an account recovery process within CCMS. This process should be used by:

- Those who have a username and password but cannot remember what they are.
- Individuals who have NEVER accessed their CCMS record, but HAVE PREVIOUSLY sat for a certification examination must use this method to gain access to a CCMS record.

Individuals **must not create** duplicate records. If in doubt or experiencing issues, please contact our Customer Relations team for assistance:

- Email: [customerrelations@theiia.org](mailto:customerrelations@theiia.org)

**NOTE: Generally speaking, your username should be your IIA Global membership ID number, or IIA Customer ID number.**

After clicking on the “Forgot your password?” link, the next screen will prompt you to enter your Last Name/Surname and email address on file in your CCMS record.

Once you enter your last name, email address, and click Submit, one of two things will occur:

1. If successful, you will be returned to the main CCMS log in screen which reads “Account Recovery successful, please check your email.”

2. If the process was unsuccessful, you will see an error message indicating “We could not locate your record or your record does not contain a valid email address, please contact customer support.”

Step 2: You must read and agree to the Terms of Use. This is also the screen where you can access The IIA's privacy policy. It is recommended that you review the page fully (including additional links) prior to agreeing to the terms and conditions.

**Terms of Use**

---

**Candidate ID Agreement**

**Acceptance of Terms**

By accessing or using any of the functionality (the "Services") available on the Web site owned or operated by The Institute of Internal Auditors, Inc. (IIA), you agree to accept and comply with the terms, conditions, and notices stated herein or as may be modified by The IIA from time-to-time with or without specific notice to you (the "Terms of Use"). These Terms of Use constitute a binding contract between The IIA and you. You are responsible for regularly reviewing the Terms of Use. You can review the most current version of the Terms of Use at any time by visiting The IIA Web site at [www.theiia.org](http://www.theiia.org). If you do not wish to be bound by these Terms of Use, please do not access or use any content or functionality accessible on The IIA Web site, or immediately discontinue such use.

**Use of Personal Data**

To complete the application for IIA Certification and/or membership, you will be required to provide IIA with some personal information including contact information and information about your qualifications for certification and/or membership. Please see The IIA [privacy policy](#) for details regarding the protection and use of this data.

As part of the application and examination process, The IIA may allow access to database information by third parties that provide technical services, but only to the extent necessary to provide you with those services.

[I agree to these terms and want to create a profile](#)

If you do not agree to these terms, simply close out or leave this browser page.

Proprietary & Confidential

 **NOTE: If you do not accept the terms and conditions, you will be unable to create a record in CCMS and you will not be able to participate in The IIA's global certification programs.**

Step 3: Once you have agreed to the terms and conditions, you will be prompted to create your user profile in CCMS, entering information as appropriate.

Items marked with a \* are required fields. This information is used for a variety of purposes including keeping you informed of your certification process through the various stages of becoming and remaining certified.

The IIA does not allow third parties to create records or administer certification activities on behalf of a candidate. Candidates must administer their own account in CCMS.

## Landing Page

Once you have logged in, you will be directed to the “home” screen also known as the Landing Page, which serves as your home page with a snapshot of your demographics and certification program status information. The IIA will occasionally place important messages or alerts at the page’s bottom.

The screenshot shows the user's home page. On the left is a dark blue navigation sidebar with the IIA logo and various menu items. The main content area is white and features a header with the user's name and ID. Below this are three expandable sections: 'My Personal Information', 'My IIA Program Status', and 'CPE 2013 Update'. The 'My Personal Information' section displays the user's contact details and membership status. The 'My IIA Program Status' section contains a table with columns for Status, Effective, Privileged, and Expiration. The 'CPE 2013 Update' section is currently empty. At the bottom of the page, there is a copyright notice and a version number.

## Updating Candidate Demographic Information

Candidates should use CCMS to update demographic information, such as email, mailing address, and phone number. Once you have updated your information, scroll to the bottom of the page to click Submit to save the new information. If a field is not editable, click New Incident in your CCMS record and submit a description of the issue for assistance.

You can access the Update Personal Information screen two ways:

1. From the left navigation menu, select Update Personal Info.
2. From the Update link on the top right of the Landing Page.

## History

The history link allows you to see various actions on the record over time. There is an option to filter history so you can easily find what you are looking for. The Details link on the right side of each event will display the date and time stamp of when the action was completed, and what was changed/updated.

There are two date columns on this page: Event Date denotes when an action was completed; Effective Date shows when the action became effective.

## New Incident

Candidates can log a support ticket or incident using the New Incident link from the left side menu.

Incidents can be used for:

- Name Changes
- Technical/System Issues
- Questions or Concerns

Clicking New Incident will bring you to this screen:

The screenshot shows the 'New Incident' form interface. On the left is a dark blue navigation menu with the Institute of Internal Auditors logo and links for Logout, Home, Personal Information, History, Order History, Change Password, New Incident, Certifications, Help, and Forms. The main content area has a title 'New Incident' and a user identifier 'Alissa DeMeglio - 1724416'. Below this is a 'General Information' section with a blue header. The form includes fields for 'Opened' (Fri Feb 14 11:20:37 CST 2014), 'Summary' (a single-line text box), and 'Description' (a large multi-line text box). There are also dropdown menus for 'Status' (set to 'Opened'), 'Category' (set to '- Uncategorized -'), 'Source' (set to 'Web'), and 'Response' (set to 'Email'). A 'Create Incident Detail' button is located at the bottom right of the form. At the bottom left of the form area, there is a copyright notice: 'Proprietary & Confidential © All Rights Reserved, by Pearson.'

- **Summary:** Provide a brief description of the issue.
- **Description:** Describe the issue in full detail. (Please include any error messages you may have received [if any] and all supporting information.)
- **Category:** It is very important to select the correct category because this is how we track issues and identify trends to resolve common issues.

Incidents are processed on a first come-first served basis.

## Certification Progress

Candidates can see their progress displayed in their record by accessing the certification progress link. The “Status” column indicates where a candidate is within an individual program.

**NOTE:**

- Each certification program offers a four-year eligibility window. This means you have 4 years to complete all requirements from the time your application is approved.
- There is a 180 day registration window for exam parts.
  - Each registration allows you to sit for that exam one time. You will need to schedule and sit for the exam part during that 180 day period.
- There is a 90 day waiting period for retaking a failed exam part.
- There is a 3 year waiting period for retaking a previously passed exam parts.

## Complete a Form

This area allows candidates to take specific action within their certification programs. Form examples include, but are not limited to:

- Applications, exam registrations, Continuing Professional Education (CPE) reporting, and requesting a certificate.

(You only have access to forms for which you are authorized based on your certification status. For example, you will not see the Certificate Order Form until you hold a certified status.)

There are three tabs in this menu.

- New Forms:
  - Forms are grouped by headers, such as Application, to group similar forms together.
  - You can click on the header to show or hide forms within that section.
  - If you open a form and are not able to complete it at that time, you can select “Save for Later”. The form will automatically move to the In-Process Form tab until you complete and submit that form.
  - If you are unable to see a particular form, you may not have authorized access to it.

- Several factors determine which forms you can see. For example, if you are not required to report Continuing Professional Education (CPE) due to having only recently been certified, you will not be able to see this form.
- In-Process Forms:
  - Forms opened but not completed or submitted will reside here until you submit them.
  - If you need to access a form under the In-Process tab, click on the form name. Then select the blue Edit button on the top left of the form. This will allow you to edit and make changes to the form. Make sure you save your changes.
- Completed Forms: keeps track of your history of completed forms.

Once a form is submitted and your payment has processed, you will receive an [event based email \(EBE\)](#) providing you with next steps (if any) and payment confirmation.

## Event Based Emails or EBEs

Candidates will receive an event based emails (EBEs) when a status change occurs on their record, a milestone is reached, or to remind you of an upcoming required action.

Here is an example of an EBE.

Dear Test Candidate:

Congratulations! We are pleased to inform you that you have completed all of the requirements for the Certification in Control Self-Assessment (CCSA) program and have therefore earned the Certification in Control Self-Assessment (CCSA) designation. This e-mail serves as your official notice of certification.

**Please be sure to read this entire email for the important information that follows.**

### **Obtaining Your Certificate**

Now that you've achieved your certification, you must initiate the order to receive your personalized certificate, which is suitable for framing. Completing the Certificate Order Form is the only way to request your certificate, and failure to submit the form will result in a certificate not being sent to you. [Click Here](#) to access the Certificate Order Form.

Before you complete the order, please be sure to go to the "update personal info" link in [CCMS](#) and ensure your personal contact information is accurate and up to date. Please be certain to confirm or update how your name will appear on your certificate and the proper mailing address.

Please note: The IIA is not responsible for misprinted or misrouted certificates if you have not validated/verified your information. Failure to validate this information could result in a US \$50 fee if you need to have your certificate reprinted due to error.

### **Continuing Professional Education (CPE)**

To keep your designation up-to-date and active, you have an obligation to earn and report acceptable Continuing Professional Education (CPE) credits on an annual basis to The IIA.

For earning your CCSA, you have been awarded 40 CPEs, 20 of which are applicable this year and 20 of which are applicable to next year. After that, to maintain your status as a CCSA, you must earn and report an additional 20 CPEs per calendar year. Details on reporting requirements and additional information can be found on our [website](#).

Again, congratulations on earning your Certification in Control Self-Assessment designation. We look forward to a productive, ongoing relationship with you as you continue to expand and add to your expertise. If you have questions or need assistance regarding your certification or CPE reporting requirements, please [click here](#) to log in to your CCMS record and submit a New Incident.

On behalf of The Institute of Internal Auditors, best wishes for your continued success.

Sincerely,

The IIA Global Certifications Team
